

# GLOBE at Night

Get Out and Observe  
the Night Sky!  
February 25 - March 8,  
2008

Engage students worldwide in  
observing the nighttime sky

Encourage citizen and family  
science with a hands-on learning  
activity outside of the the classroom

Gather light pollution data from an  
international perspective

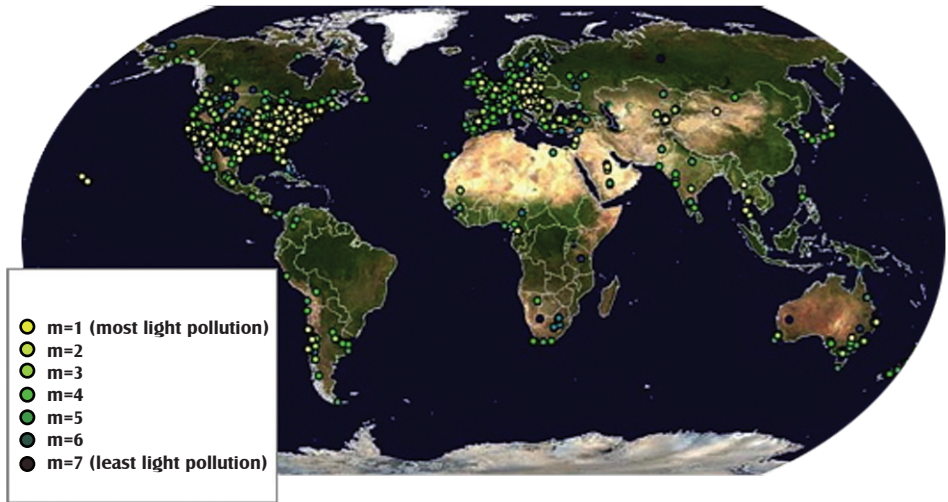

[www.globe.gov/globeatnight](http://www.globe.gov/globeatnight)

Participation is open to anyone who lives or works in one of the 110 GLOBE countries.

Shown above are the 8500 observations from the 2007 event.  
Help us exceed these numbers in 2008!
